PASSAGE OF BILL BLOCKED

McCumber Makes Effort for Grain Inspection Legislation.
Washington, May 2.—Passage of the agricultural appropriation bill was blocked in the Senate to-day by an effort of Senator McCumber to get another consideration of grain inspection legislation. He kept the Senate on the amendment to increase the salary of Assistant Secretary of Agriculture Gallop on the bill relating to grain inspection. Senator McCumber has fought the Galloway bill for weeks to get passed his own bill, which failed yesterday. To-day he announced he would be content with the Galloway bill's provisions for the standardization and making of uniform grades of grain by the inspectors.

INVESTIGATION ADJOURNED

I. C. C. Will Resume New Haven Inquiry on Wednesday.
Washington, May 2.—After a brief session of inquiry into the financing of the Billard Company and the numerous financial operations of the Metropolitan Steamship Company, the Interstate Commerce Commission to-day adjourned its investigations of the New York, New Haven and Hartford Railroad until Wednesday.
The commission is endeavoring to determine whether the \$2,000,000 with which the Billard Company was organized came from the New Haven itself. Suggestions of a "conspiracy to defraud" have been freely made. So far little light has been thrown on the organization of the Billard concern.

THOUSANDS OF WOMEN ON PARADE IN CHICAGO

Suffrage Day Celebrated as Part of National Demonstration in United States.

Chicago, May 2.—Suffrage day was celebrated to-day by the largest parade of women ever held in Chicago. Thousands of women marched down Michigan Avenue in ten divisions. Formally, the parade was to thank the Legislature for voting suffrage to women and also Chicago's part in a national demonstration.
The absence of Jane Addams acting president of the American National Suffrage Association, and Mrs. Joseph T. Bowen, another national officer, marred the harmony of the demonstration. A rupture between the national leaders and the State forces, led by Mrs. Grace Wilbur Trout, was nearly healed early in the day, when a message was prepared at suffrage headquarters similar to a resolution which the national association had asked the State organization to approve.
Before the message was prepared, Mrs. Bowen had left the city, declaring she could not consistently take her place in line with women who had refused to take the action the national board requested. Miss Addams was at Cedarville, Ill., where her mother is ill. The message read: "Chicago to-day has participated in one of the greatest demonstrations of the world to show its gratitude for the new freedom which has come to the women of Illinois. We urge upon Congress the passage of constitutional legislation which will bring complete liberty to all women of the United States."

Reviewed by Governor.
[Special to The Times-Dispatch.]
Boston, Mass., May 2.—Some 8,000 women and a squad of men marched in the suffrage parade this afternoon, and were reviewed at the State House by the Governor, David I. Walsh.
The anti-suffragists, whose public mass-meeting in Faneuil Hall the other night attracted 3,000 people, were also busy and sold 100,000 red roses, which were worn by opponents of the feminist movement. There was no interference with the parade, which passed over a long route, and was accompanied by bands of music and adorned with banners. All in all it was a great day for the women of Boston. An enormous crowd turned out.

Field Day for the "Cause."
Philadelphia, Pa., May 2.—Woman suffrage had its inning to-day. It was a field day for the "cause."
The paraders, 3,000 strong, were accorded a quiet but entirely respectful reception all along the line of march, which was splendidly policed, and at no point was there a display of discord.
The parade was greeted with little enthusiasm, the crowd which lined the route for the most part watching in silence with wide grins of tolerant amusement.
The "anti" loitered along the line, flaunting their colors, the "American beauty" rose, in contrast to the yellow tint of the suffragist daffodil.

Suffrage Day in New York.
New York, May 2.—Woman's suffrage day in New York was marked with a celebration of winning the ballot for women at mass-meetings throughout the city. Women of fashion in the day's campaign, and students from Smith and Wellesley, in Massachusetts, and Vassar and Barnard colleges, in New York, made earnest pleas to audiences on the reforms, which they declared only woman's suffrage could bring about.
"The vote by 1917" was the slogan of the day. A parade of automobile on Fifth Avenue was used to attract attention to seven meetings around Washington Square.
Scarcely a woman quietly distributed broadsides and booklets at some of the meetings, but did not interrupt the speaking.

MOST IMPORTANT NEMO WEEK

WE have been asked many times: "What is the meaning of Nemo Week?" "What is the inducement to buy Nemos at that time, when I can buy them any day in the year?"

These inquiries do not come from the hundreds of thousands of women who have benefited by Nemo Weeks of the past ten years, and who are Nemo enthusiasts. For the information of others, we will explain what Nemo Week stands for:

ECONOMY Dealers everywhere prepare for Nemo Week by placing in stock the very latest Nemo models and replenishing their stocks of the well-known and popular numbers that are always in universal demand. This gives you selection from full lines of fresh, new goods, and the very newest fabrics and styles; therefore, the BEST POSSIBLE VALUES.

EDUCATION During this great trade movement, dealers vie with each other to give the best Nemo corset-service. This is highly important, especially this season, when Fashion's requirement is for a fashionable figure rather than a fashionable gown. The keen rivalry between expert fitters in the various stores insures you their most able assistance in the selection of the corset best adapted for each individual figure.

The Rivalry of Nemo Week is in SERVICE—not PRICE

Nemo Week this year brings you the only complete standardized line of corsets in existence, from the old short models to the extreme of present fashion, including—

KOPSERVICE—Four models—at \$5.00
SELF-REDUCING—Thirty models—\$3.00 up
LASTIKOPS—Ten models at \$3.00 up

All our former successes will be eclipsed by this Nemo Week. Practically every woman will realize that she cannot afford to miss this opportunity to study the new Nemo models, which will be found in every leading Corset Department.

All Nemo Corsets represent at least twice as much value, in material and making, as any other corsets sold at the same prices. This is a bold statement, but its truth is known to millions of Nemo wearers. BE A WISE WOMAN! During Nemo Week, get better acquainted with Nemo hygienic comfort and perfect style. BE SURE that you get the RIGHT MODEL in the RIGHT SIZE, and that every corset bears the Nemo trademark "NEMO" and "LASTIKOPS."
